

Renton Student Health Hub

2025 Q1 Quarterly Report

JANUARY - MARCH 2025

Supporting student well-being in Renton, Washington

SCREENING | BRIEF INTERVENTION | REFERRAL TO TREATMENT

In Q1 2025, we expanded Student Health Hub to a total of 8 schools in the district and 14 youth behavioral health providers, including one new hub provider, Lutheran Community Services Northwest. Since program launch in January 2024, hundreds of students have been screened, approximately 47% required follow-up, and 96% of those who requested additional care through the Hub were matched with a provider.

HERE’S A QUICK RECAP OF 2025 Q1

“Student Health Hub” launched in eight schools:

Talley High School, Dimmitt Middle School, Nelsen Middle School, Risdon Middle School, McKnight Middle School, Cascade Elementary, Highlands Elementary, Renton Academy

633 students screened for social emotional needs and substance abuse issues using the “Check Yourself” online tool developed by Seattle Children’s Hospital.

47% of students screened required brief intervention

28% yellow flags (brief intervention),
20% red flags (immediate brief intervention)

Our priorities for Q2

- Present Hub at Washington State Youth Mental Health Summit
- Award Grant Funds to Initial Cohort of Behavioral and Housing Providers
- Prepare for Pilot Test of School-Based Housing Pathway
- Prepare for Hub Expansion in SY 2025-2026

"One of the unique aspects of the Student Health Hub is the fact that we can actually tailor the supports to what we learn from the students in the survey and that could be anything from a specific area of behavioral and or mental health, it could be cultural needs, it could be language needs. Wherever the student and the family are at, we want to meet them there and help them to get the support that they deserve quite frankly."

Dr. Damien Pattenau
Superintendent, Renton School District
