

Renton Student Health Hub 2026 Q2 Quarterly Report

APRIL - JUNE 2026

Supporting student well-being in Renton, Washington

SCREENING | BRIEF INTERVENTION | REFERRAL TO TREATMENT

In Q2 2026, we strengthened the “no wrong door” approach across all 26 district schools—ensuring that teachers and counselors can confidently connect students and families to housing and behavioral health services, with a reliable system in place to ensure follow-through and support.

Since launching in January 2024, hundreds of students have been screened and referred to care. Among those seeking care, 99% were successfully matched to a provider—demonstrating strong performance in translating need into access.

HERE’S A QUICK RECAP OF 2026 Q2

1440 students screened
for social emotional needs and substance abuse issues using the “Check Yourself” online tool developed by Seattle Children’s Hospital.

**“Student Health Hub”
launched in all 26 schools.**

408 students referred
to care after meeting with school staff.

REFERRAL TO BEHAVIORAL HEALTH AND HOUSING SERVICES

408
students referred to care
after meeting with the school staff.

401
students matched
with a behavioral health or housing service provider if referred to care.

98%
closed loop rate
Students needing a referral matched with a hub provider.

178
students enrolled in care

134
students *not* enrolled in care

58
students with pending enrollment status

31
unknown enrollment

Our priorities for 2026 Q3:

- **Advance housing services pilot (ongoing):** Continue piloting housing stability services (e.g., eviction prevention and rapid rehousing) to support students and families, building on progress from the previous quarter.
- **Advance the Hub technology platform:** Strengthen the Student Health Hub platform by completing the new data dashboard and continuing development of onboarding and provider profile capabilities to improve network management, reporting, and user experience for the 2026-2027 school year.
- **Advance innovation and interoperability initiatives (ongoing):** Implement strategic technology and innovation projects that strengthen provider capacity, information sharing, care coordination, and the connected care ecosystem supporting students and families.
- **Plan for the 2026-2027 school year:** Develop the implementation plan, including service expansion priorities, partner alignment, and operational readiness across the Student Health Hub network.

"This is invaluable!" Renton School Counselor, Renton School District
