

# Renton Student Health Hub Quarterly Report

JANUARY–MARCH 2024

## Supporting student well-being in Renton, Washington

SCREENING | BRIEF INTERVENTION | REFERRAL TO TREATMENT

In Q1 2024, we launched the Student Health Hub alongside universal screening in two middle schools and deepened our partnerships with local community providers. Almost 200 kids were screened—over 50% required follow-up, and 92% of those who needed additional care were matched with a provider.

### HERE'S A QUICK RECAP OF THE FIRST QUARTER:

**“Student Health Hub”  
launched**  
in Dimmitt Middle  
School and Nelson  
Middle School.

**188 students screened**  
for social emotional needs and  
substance abuse issues using the “Check  
Yourself” online tool developed by  
Seattle Children’s Hospital.

**50% of students  
screened required brief  
intervention**  
30% yellow flags  
20% red flags

Every student had a follow-up assessment with the school counselor if they had a screen with a red or yellow flag.

**13 students  
referred to care**  
after meeting with  
the school counselor.

**12 students  
matched**  
with a behavioral health service  
provider out of the 13 who were  
referred to care.

**5.5 days  
average turnaround**  
time from referral  
submission to match
